

Dear Future Employer

I am interested in applying for the position you're offering. I believe this position is for me as it will allow me to demonstrate my creative input and imaginative mindset. I will be a friendly presence open to discussion and brainstorming innovative ideas. Below is a list of interests, skills, and talents that tell you a bit about myself and what I can offer your company.

Interests

The interests I have include:

- Writing and illustrating – I have a strong passion for creating my own stories, as I have been doing this for most of my life. I'm working on a comic book series and a novel I intend to publish someday.
- Watching and Discussing Movies – I am eager to discover and watch various movies of different genres and cultures. I still enjoy traveling to the cinema to see new films that interest me. I enjoy storytelling and discussing it, which made me create a blog to review films and discuss my passion for it.

Skills

The skills I believe I can offer include:

- A Good Listener—I'm good at following instructions and completing any task asked of me. I also enjoy listening to what coworkers or customers have to say and offering my input into the conversation.
- Adaptable and Open-minded – Since moving to Perth, I have taught myself to be open to unfamiliar situations and embrace new opportunities that come my way. I enjoy facing new challenges and pushing myself into situations that I would not otherwise encounter.
- Knowledge and Wisdom – I am eager to learn, use new skills, and apply them into this work, but I also enjoy sharing that experience with others.
- Charm and Confidence – I'll be a positive presence to have around due to my ability to make people smile and laugh. I have high self-esteem and strong confidence in not just my ability to be a friendly personality but also in the other skills I have already listed.

Talents

The talents I believe I can offer include:

- Computer Knowledge—I studied IT at TAFE, which taught me how to create my websites, troubleshoot them, and better understand word processing programs. In my free time, I have used other programs, such as Photoshop, and practiced video editing.
- Creative mindset—One of my favourite talents is coming up with ideas and brainstorming them into a plan or a possible project. I can think outside the box, and I am always thinking of new possibilities for what I can do or challenge myself.
- Reliability and Memory – I am known in my family for having an excellent memory. I'm an analytical person who pays attention to small details and is a little bit of a perfectionist. My reliable memory is helpful for being punctual and always keeping my employers informed on what I'm doing.

These are just some of the skills and abilities I can offer for this position, as I hope to gain more from this experience.

Thank you for taking the time to read my application, and I look forward to hearing back from you.

Kind regards,

Cameron Black
